

# EPSON®

Only genuine Epson ribbons will ensure that your Epson printer continues to offer optimum performance throughout a long and trouble-free working life. Epson's fabric ribbons are always made from the same, guaranteed quality, source of fabric. They are designed to a precise specification, providing maximum durability for machines working in extreme environments.

#### Quality Design and Long Lasting

Inside the cartridge, the fabric welds - necessary to form a continuous loop - are always precise and durable, and the inks always fully tested and mixed with the right lubricating oils to produce minimal print-head wear.

Epson genuine ribbons reduce twisting, loosening and jamming problems. This is made possible by the good quality fabric and sophisticated design.

To ensure the printer delivers uniform print density, every ribbon carries an exact charge of ink. Non-Epson cartridges are often made by re-inking old products with poor-quality ink. The results can be a shortened head life, and output which shows obvious signs of spattering, bleed or smudging.

#### Color

Epson color ribbons have been designed and engineered to the highest standards, as color printing subjects ribbons to rigorous vertical and sideways movement. Ribbons need to be tough, and color inks must withstand continuous stress without bleed or smudging.

## Epson Ribbons

### Continuous Loop Fabric Ribbons

Ideal for Epson Kiosk Printers,  
Epson Printer Mechanisms

#### Features:

- Our research shows that the ribbons in Epson cartridges are often as much as 25% - 50% longer than the non-Epson equivalent.
- Comprising of a continuous loop of high strength fabric ribbon, the genuine Epson ERC ribbon ensures trouble free operation of Epson's range of products.
- To ensure the printer delivers uniform print density, every ribbon carries an exact charge of ink.

## Epson Ribbons

Model #	Applicable Printers	Packaging
ERC-02II	M-210, 211	Individual
ERC-03B	M-210V/211V/220/240	Individual
ERC-05B	M-150II	Blister Pack
ERC-09B	M-160/180/190	Blister Pack
ERC-15B	M-170	Blister Pack
ERC-22B	M-180/190	Blister Pack
ERC-23B	M-260 Series/RP-265	Individual
ERC-23B/R	M-262/267/TM-267/RP-267	Individual
ERC-27B	M-290/TM-290, 290II, 295	Individual
ERC-38B	TM-300 Series, U200 Series	Individual
ERC-38B/R	TM-300 Series, U200 Series	Individual

**Telpar is an Authorized Maser Distributor of the complete line of EPSON Kiosk Printers, Printer Mechanisms, Controller Boards, and Ribbons and Paper**

## Telpar Printer Solution Capabilities

Telpar's expertise in providing world class, customer specific, OEM mini-printer solutions is exemplified by this partial listing of Telpar capabilities.

- Excellent Organization**  
 Telpar is a creative, flexible, quick-response organization that offers customers "Design to Need" mini-printer solutions.

- Inventory** Telpar maintains a substantial inventory of distribution products and raw materials, minimizing manufactured product lead-time.
- Excellent Relationships** Telpar maintains relationship with several printer mechanism manufacturers, allowing customers to choose from a variety of state-of-the-art products.

- Staging** Telpar offers cost effective staging of its mini-printer solutions for drop shipment to any number of designated locations. Telpar tailors these programs to specific customer's system staging requirements.

## Service & Support

Telpar provides direct warranty and non-warranty repair and service on all Telpar printers through our Depot Repair Center located in Dover, NH. Telpar offers a variety of service options including:

- Standard & Extended Warranty
- Telephone and Email Technical Support
- Time and Materials Options
- Online Manuals and Printer Drivers
