

MY PRINTER

2" MOBILE RECEIPT PRINTER

- Mobile mini printer with a high-tech design
- Ultra-light and compact: only 205g!
- Wireless Bluetooth® technology
- High autonomy: 30mt of printed paper
- Paper thickness: 61 µm
- Available in glossy white and glossy black
- Size: 110mm (L)x85mm (W)x45mm (H)

My Printer is a high-tech mobile mini printer. It is ultra-light and compact and only weighs 205g with a wide paper roll (30mm diameter). High printing autonomy thanks to 5 batteries: approx. 30m of printed paper!

USB interface or optional RS232 with special cable.

Complete with paper end sensor, the printer supports an upgradable client logo and prints the most common barcodes: EAN 13, EAN 8, CODE 39, ITF, CODABAR. Self-installing drivers: Windows 2K, XP, 7(+64bit support), Linux C.U.P.S. (32/64 bit), Android.

Thanks to Bluetooth® technology, **My Printer** prints from Blackberry® telephones.

The profiles supported are SPP (Serial Port Profile) through which it is possible to match a RS232 or OPP (Object Push Profile) serial connection which allows printing of vCard format items (business cards).

Handy belt hook, battery charger and USB cable included in package.
